- [A Legacy Parks Treasure](#)

Knoxville Urban Wilderness, a recreational, cultural, and historic preservation initiative championed by Legacy Parks Foundation, incorporates 1,000-forested acres along downtown's south waterfront. It creates an exceptional recreation and historic corridor inviting residents and visitors to experience the special character-defining assets of our city. # Knoxville's Urban Wilderness

The Legacy Parks Foundation has helped the City of Knoxville to secure the 1,000-acre Urban Wilderness. When completed, it will connect Ijams Nature Center, 10 parks, over 40 miles of trails, four Civil War sites, and diverse ecological features and recreation amenities. Many of the 30+ miles of trails already constructed were built through volunteer efforts of the Appalachian Mountain Bike Club. Go to [www.OutdoorKnoxville.com](http://www.OutdoorKnoxville.com)
